BUY NOW

This is the second book in 'The Book of Tea' series, and follows princess Zhen as she goes into exile with her bodyguard and sister. Escorted by Ning, a shennong shi who wields magic through the art of tea-making, they make preparations for Zhen's usurping of her rightful throne.

**Loveboat Reunion by Abigail Hing Wen**

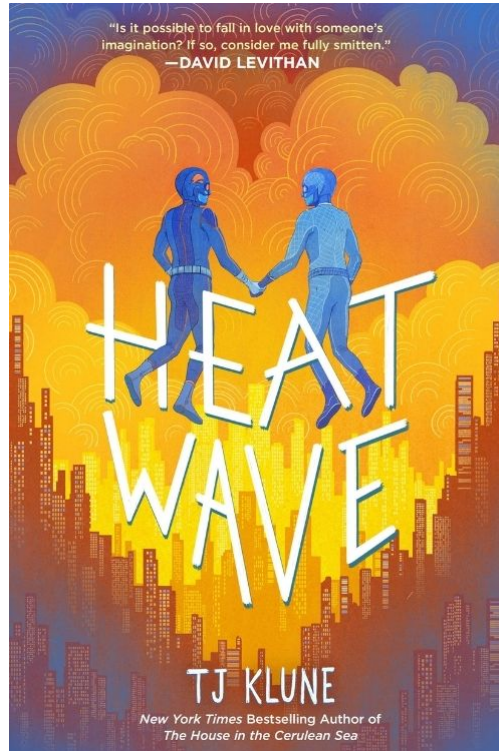

10 Book Sequels To Look Out For In 2022 - **Loveboat Reunion**

BUY NOW

In the sequel to the upbeat romance 'Loveboat, Taipei' Wen returns with the story of Sophie and Xavier, a fan favourite couple. Sophie just wants to concentrate on her Dartmouth education, and Xavier, for once, just wants to be happy. But the universe seems to thwart their plans, because Sophie's professors are chauvinists who treat her differently and Xavier's father threatens to cut off his inheritance without a degree.

**Heat Wave by T J Klune**

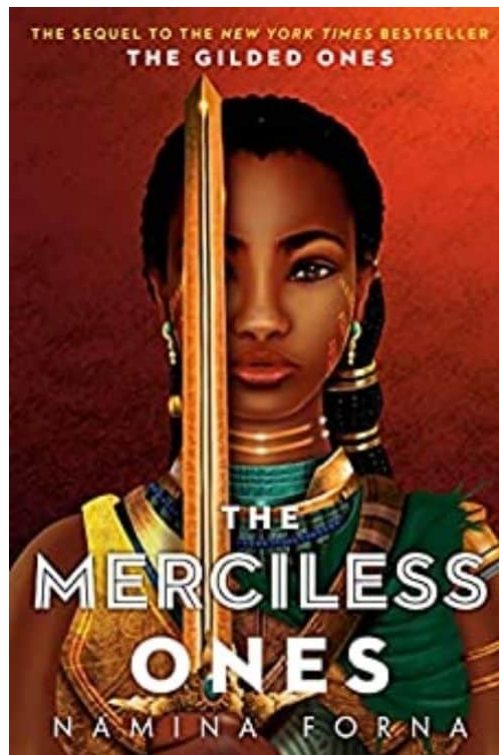

*Most Exciting Book Sequels in 2022 - **Heat Wave***

BUY NOW

The second part of 'The Extraordinaries' follows an unexpected stranger hero who shows up at Nick's doorstep. What follows is an unraveling of Nick's life that is both sensitive and hilarious at the same time.

**The Merciless Ones by Namina Forna**

*10 Book Sequels To Look Out For In 2022 - **The Merciless Ones***

BUY NOW

The fantasy sequel to 'The Gilded Ones' picks up from where it left off - Deka restoring the goddesses to power. But the battle is anything but finished - Deka must defeat several evil powers before she can reclaim her throne.

**K-Pop Revolution by Stephan Lee**

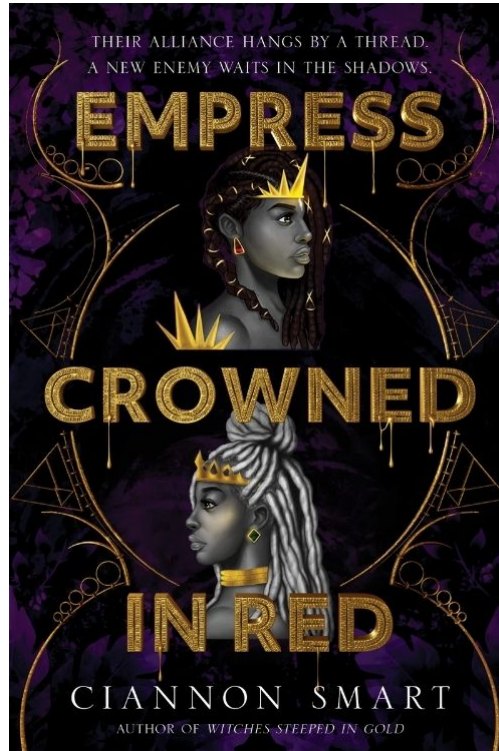

*Most Exciting Book Sequels in 2022 - **K-Pop Revolution***

BUY NOW

The second book in the K-Pop Confidential series follows Candace as she struggles to stick by her beliefs and values. Post debuting in a K-pop music video, she becomes a star. Living a life of glamour and glitz, she thinks she's living in a dream world. But she soon realizes that there's more to it than meets the eye - tight schedules, loss of privacy, intense competition. Glamour may not be all that glamorous after all.

**Empress Crowned in Red by Ciannon Smart**

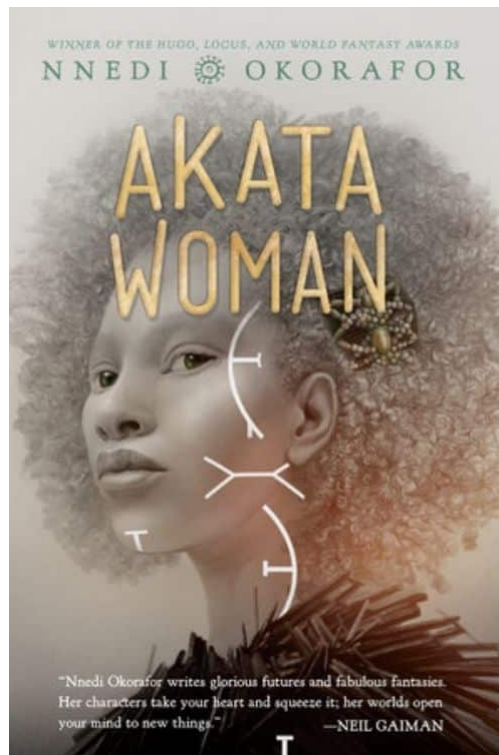

*10 Book Sequels To Look Out For In 2022 - **Empress Crowned in Red***

BUY NOW

In *Witches Steeped in Red*, Smart wowed us with her Jamaican inspired fantasy worldbuilding. And in this sequel due in 2022, she takes it a step further. In this book, things get real. The war begins, and the death toll is going to be HIGH. Coming out of her disguise of a warrior, Iraya tries to accomplish the bigger goal of saving Aiyca. Meanwhile, Jazmyne employs ruthless means to prove that she's worthy of the throne.

**Akata Woman by Nnedi Okorafor**

*Most Exciting Book Sequels in 2022 - Akata Woman*

BUY NOW

The third book in the Akata series revolves around Sunny, who lives in a world where juju and spirit are real. In this book, she must use and apply everything she learnt in the previous book, during a dangerous quest to find a precious object hidden in the magical realm.

**Bitter by Akwaeke Emezi**

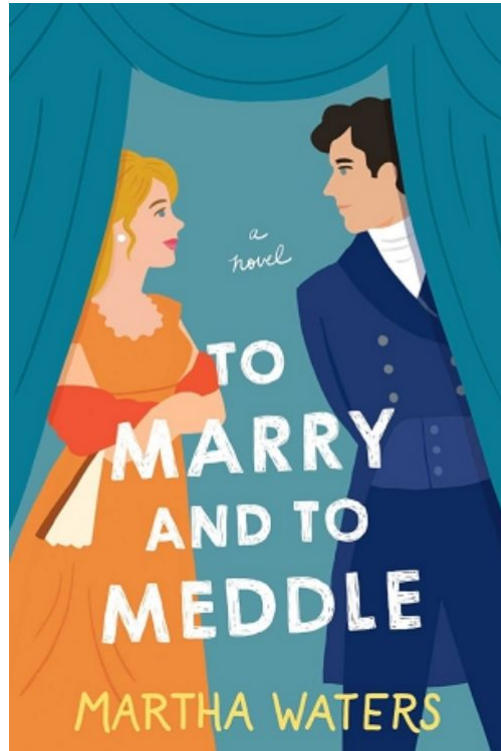

*10 Book Sequels To Look Out For In 2022 - **Bitter***

BUY NOW

The protagonist of this book, Bitter, attends an elite art academy where the atmosphere and people give impetus to her creativity. But the world outside isn't as perfect, and social and racial injustices run rampant. Even though Bitter is comfortable in Eucalyptus, her friends drive her out of her comfort zone and push her to help make a change.

**To Marry and To Meddle by Martha Waters**

*Most Exciting Book Sequels in 2022 - **To Marry and To Meddle***

BUY NOW

The third book in the epic historical romance series The Regency Vows follows Emily and Julian. Emily is a regency lady in search of her husband with an absurd interest in the theatre, and Julian is a seeming gentleman who wants his wife to be a society wife only. The tensions between the two run deep.
