On board the Icarus, the night is typical. Then disaster strikes: the enormous, luxurious spaceship is ripped out of hyperspace and crashes into the closest planet. Tarver Merendsen and Lilac LaRoux make it out alive. They also appear to be alone. The richest person in the world is Lilac's father. Tarver is a young military hero who comes from nothing and has long since discovered that females like Lilac are more trouble than they're worth. However, Lilac and Tarver must cooperate in order to make the difficult journey over the spooky, desolate terrain to get help because they only have each other to rely on.

Against all obstacles, Lilac and Tarver eventually discover a surprising blessing in the tragedy that has brought them together. They start to consider whether they would be better off staying here permanently given the lack of prospects for a future together in their home world. When they learn the truth about the terrifying whispers that follow them

everywhere, everything changes. Tarver and Lilac might discover a means to leave this planet. However, they won't be the same individuals that arrived there.

The devastating illness ravaged her country ten years ago. The majority of those who were infected died, and many of the survivors had odd markings. Adelina's once-dark hair turned silver, her lashes grew pale, and all that's left of her left eye is a jagged scar. Her vile father regards her as a malfetto, an abomination, who is tarnishing their good name and impeding their prosperity. However, some of the fever's survivors are said to have more than just scars; it is said that they also have enigmatic and potent abilities. Though their names are unknown, they have come to be known as the Young Elites. His duty as the Inquisition Axis's leader is to track down the Young Elites and eliminate them before they destabilise the

country.

He thinks the Young Elites are evil and spiteful, but Teren might have the most sinister secret of them. Before the Inquisition Axis can, this covert group of Young Elites seeks for other individuals who resemble them. But when the Daggers locate Adelina, they come across a person with abilities unlike anything they've ever seen. Adelina wants to think Teren is the real foe and that Enzo is on her side. But as each of these three battles a very distinct and individual conflict, their lives will unexpectedly converge. However, they can all agree on one thing: Adelina possesses skills that don't belong in this world. Blackness of vengeance filled her heart and also the desire to annihilate anyone who dared to cross her.
