AMAZON

The book "Shatter Me" by Tahereh Mafi is a gripping read that captivates from the start. While some may find fault with the unique writing style, I found it to be a compelling aspect of the story. The use of metaphors, crossed-out words, and repetition offers a window into Juliette's troubled mind, shaped by her long confinement.

The world-building is rich, portraying a dystopian society on the brink of collapse. Juliette, with her deadly touch, becomes a pawn in a larger political game, her fate uncertain. As

tensions rise and the world teeters on the edge of war, Juliette's role becomes increasingly pivotal. With its blend of romance, action, and intrigue, "Shatter Me" is a must-read for fans of captivating dystopian fiction.
