10. The Babysitter

### **Jack The Ripper**

One of the most iconic serial killer who made headlines in the Eighteenth century is from London. Soon became popular across the globe for his style of killing, he used to send letters to the police and newspapers. He at least murdered five women ruthlessly and mutilated their bodies. Ripper was never caught but his way of killing caught the public eye and 100's of conspiracy theories were made about this serial killer. And he somewhat started the culture of fascination over the stories of serial killers.

## **Axe Man Of New Orleans**

This New Orleans killer was thought to be ethically driven for his serial killings. He used to target Italian immigrants in general. The reason for his killings sounds strange, but it's said that he kills in order to protect 'Jazz Music'. The killer mentioned in one of his letters that he'll spare no one who plays jazz music at home.

## **The Doodler**

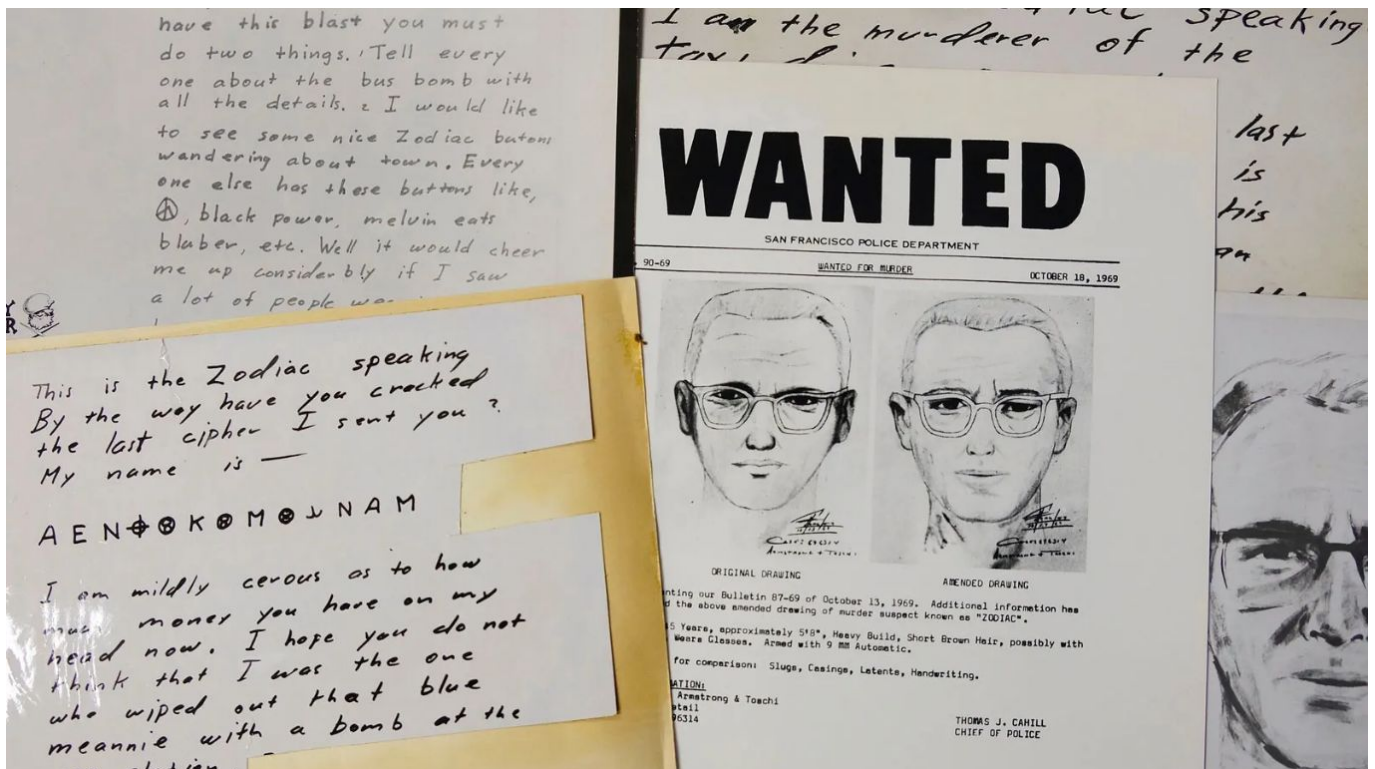

The Doodler committed his crimes in San Francisco around 1974 and 1975 where he killed up to 14 men. He used to pick men from Gay clubs or residents. The reason for his nickname was his habit of sketching the image of the person before the killings. The Gay Community oppression in those days made it easy for him to escape, as people shied off from revealing their identity in public. This made it easy for the killer to escape from the eyes of the law.

## The Stoneman Killer

The serial killer is from India who killed 13 homeless people. The incident took place in the 80's in Mumbai where the serial killing of 13 homeless people took place while they were sleeping. The killer used stone to kill its victims and was never caught.

## The Zodiac Killer

### 10 Serial Killers Who Have Never Been Caught

Zodiac can be termed as the upgraded version of 'Jack The Ripper'. He also taunted the police and media by letters but this time they were puzzles. He used to throw puzzles in front of police, clues to catch him. It's estimated that he has 37 serial killings to his name.

## Freeway Phantom

Freeway Phantom is another serial killer from America. He was active in the early 1970's and committed his crimes in Washington D.C. He was a major threat to women safety in the

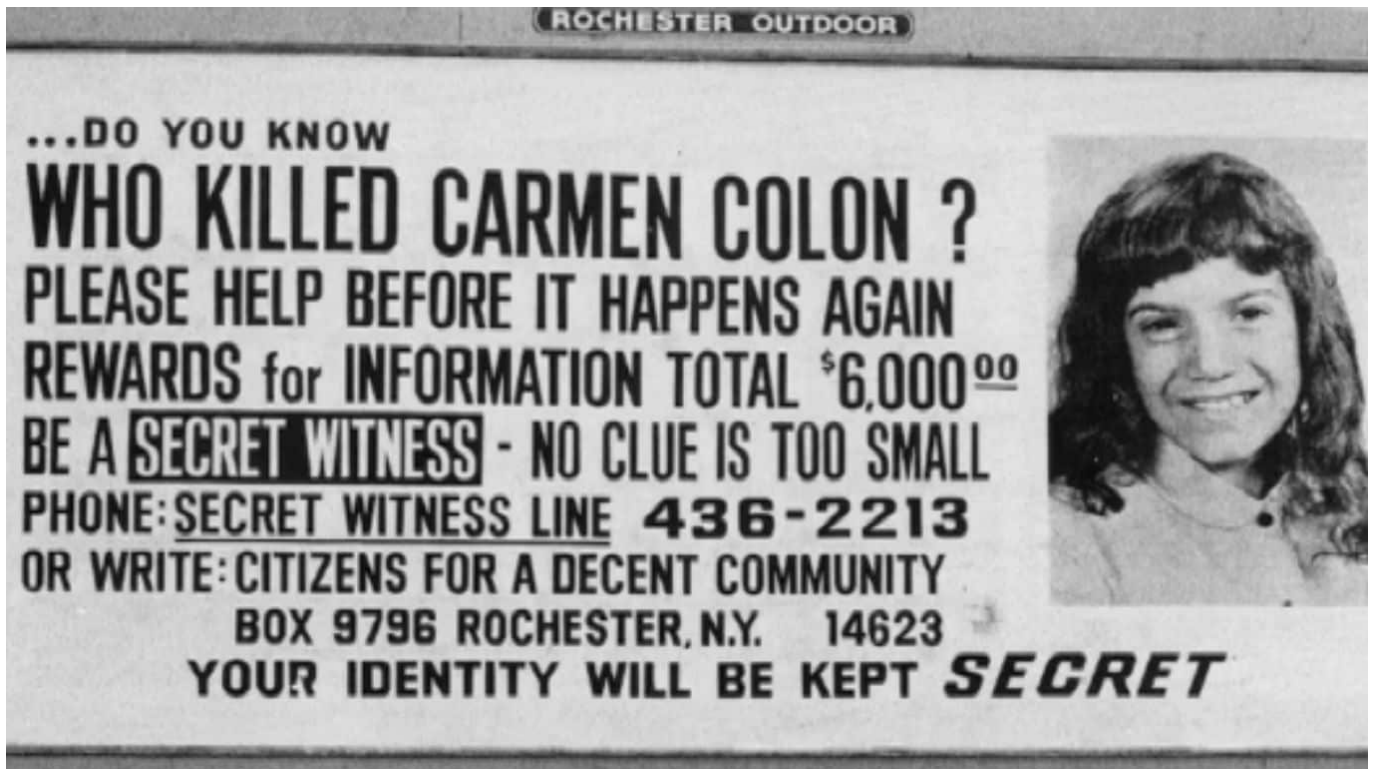

States. As he used to kidnap and rape women before killing them.

## Charlie Chop-Off

The serial killer killed 4 children and was given the name of Charlie Chop Off as the killer used to chop off the private parts of its male victims.

## Alphabet Murders

This killer came into existence in the 1970's in New York. The killer raped and killed three young girls. They had alliterative first and last names Wanda Walkowicz, Carmen Colon and Michelle Maenza. The police had some solid leads but unfortunately the Alphabet Killer never got caught.

## **Servant Girl Annihilator**

The Servant Girl Annihilator is also known as Austin Axe Murderer. He mostly targeted female servants. His victims included 7 women and a male. The killer used to target his victims when they were asleep. Even after 100's of arrests, the police were unable to catch the killer.

## **The Babysitter**

This brutal killer only targeted children. He killed at least 4 children. The children were dressed and bathed before the killings. The killer also took care of the children for days before they were murdered. This is the reason the name 'The Babysitter' was given to him.
