

**All Time Best Superhero Movies From India:** Superhero films and world cinema in general have been fully dominated by Hollywood. Hollywood has not yet been successful in taking over Indian theatres thanks to the Indian film industry, which has managed to maintain its position. Congrats on that. But why don't our superheroes from India work in their own nation? The audience's culpability is a factor in addition to the low quality and poor grade VFX. Where demand exists, there is supply. Let's look at a few of the best Indian superhero movies:

*All Time Best Superhero Movies From India - **Ra.one** - 2011*

The film tells the tale of Shekhar Subramaniam, a game creator, who takes his son's advice and makes a game wherein the antagonist (Ra.One) is stronger than the hero (G.One). Ra.One can assume any form, whereas G.One has the exact same appearance of Shekhar Subramaniam. When Ra. One leaves the virtual gaming arena and enters the actual one to defeat Lucifer, Shekhar's son's gaming alias who had challenged Ra.One to a power challenge, things go horribly wrong. They only have one remaining opportunity to defeat Ra.One, and that is to send G.One into the actual world to defend them from Ra.One. The movie outperformed market forecasts and had 2011's greatest foreign cinema run for an Indian movie.

**Mr. India - 1987**

***Mr. India - 1987***

The only Indian movie that has survived is this one. Even though the movie has been out for about 30 years, it still holds up well when rewatched, largely because of the late Shri Amrish Puri Ji, who played the legendary villain. The narrative centers on Arun, a decent person at heart who finds a tool that enables him to vanish. He uses his superpower to battle Mogambo, a villainous plotter who is out to ruin the nation. Thanks to some memorable music and a good amount of humor, the movie was one of the greatest successes of the year and for all of the right reasons.

Aman discovers his superpowers when he manages to overthrow Raka, though. Aman assumes the persona of “Flying Jatt” and helps those in need.

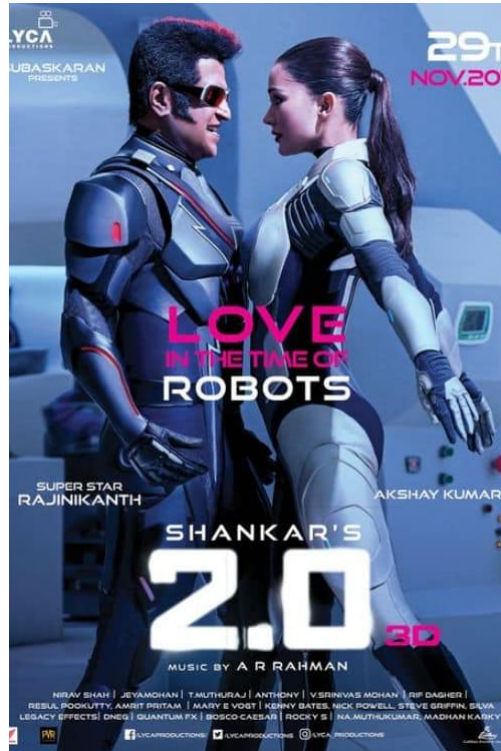

**Bhavesh Joshi Superhero - 2018**

### ***Bhavesh Joshi Superhero - 2018***

One of those movies that should have received much more cheers from the crowd than it got. The Indian people considered it to be one of the best superhero films they had ever seen, with a sombre plot and some political overtones. This masterpiece, however, was overlooked because to inadequate marketing and the absence of a significant actor. This movie follows Sikander as he changes into a superhero to honour the memories of his deceased buddy, was an absolute joy to watch in terms of photography, music, acting, and screenplay. It is a success.

### **Robot Movie Series - 2010 & 2018**

### *All Time Best Superhero Movies From India - Robot Movie Series - 2010 & 2018*

### **Minnal Murali - 2021**

*All Time Best Superhero Movies From India - **Minnal Murali - 2021***

Perhaps the best superhero movie ever made in India with a gripping storyline. Minnal Murali is a movie that comes from the Malayali film industry. It was released on Netflix and received lots of appreciation for the way of storytelling. The movie not just focused on the protagonist but also tells the backstory of the antagonist in a non-typical way. However, the way the protagonist gets his power may remind you of the DC Comics character "The Flash". The story is about a tailor named Jaison, who gets his power after getting struck by lightning.

## **Zokkomon - 2011**

### ***Zokkomon - 2011***

The film tells the tale of Kunal Kumar, a young child whose parents passed away many years ago and was left in significant estate. His cruel aunt and uncle nurtured Kunal, who only want to assassinate so they can inherit his possessions. Later, Kunal's uncle raises rumours of his death so he may quickly collect all of his money. The story doesn't end there, though. With the help of his superhuman abilities, Kunal returns to exact revenge on his aunt and uncle and to make an example of those who have troubled him his entire life.
