**Artemis Fowls series (Eoin Colfer)**

### *Artemis Fowls series*

A young criminal mastermind, Artemis Fowl II discovers the existence of fairies and other magical creatures and hatches a plan to restore his family's wealth by kidnapping a fairy for ransom. As Artemis delves deeper into the magical world, he confronts his own morals and beliefs, ultimately questioning the path he has chosen. The witty writing, fast-paced plot, and complex characters, particularly Artemis, make this series a standout in the fantasy genre. With a rich and immersive world filled with technology and magic, and a diverse cast of characters, the Artemis Fowl series captivates readers young and old alike.

### **The Heroes of Olympus series (Rick Riordan)**

*Books like Percy Jackson: 10 Books Similar to Percy Jackson - **The Heroes of Olympus series***

In “The Heroes of Olympus” series by Rick Riordan, a new group of demigods is brought together to face an epic quest that could change the course of history. With a mix of old faces from the original Percy Jackson series and new characters, the story takes readers on a thrilling adventure full of mythology, magic, and camaraderie. The world-building is expansive, and the quests the characters embark upon are both exciting and filled with danger. The themes of friendship and teamwork are prevalent throughout the series, making it an excellent follow-up to the Percy Jackson books and a must-read for fans of mythology-inspired fantasy.

### **The Chronicles of Narnia series (C.S. Lewis)**

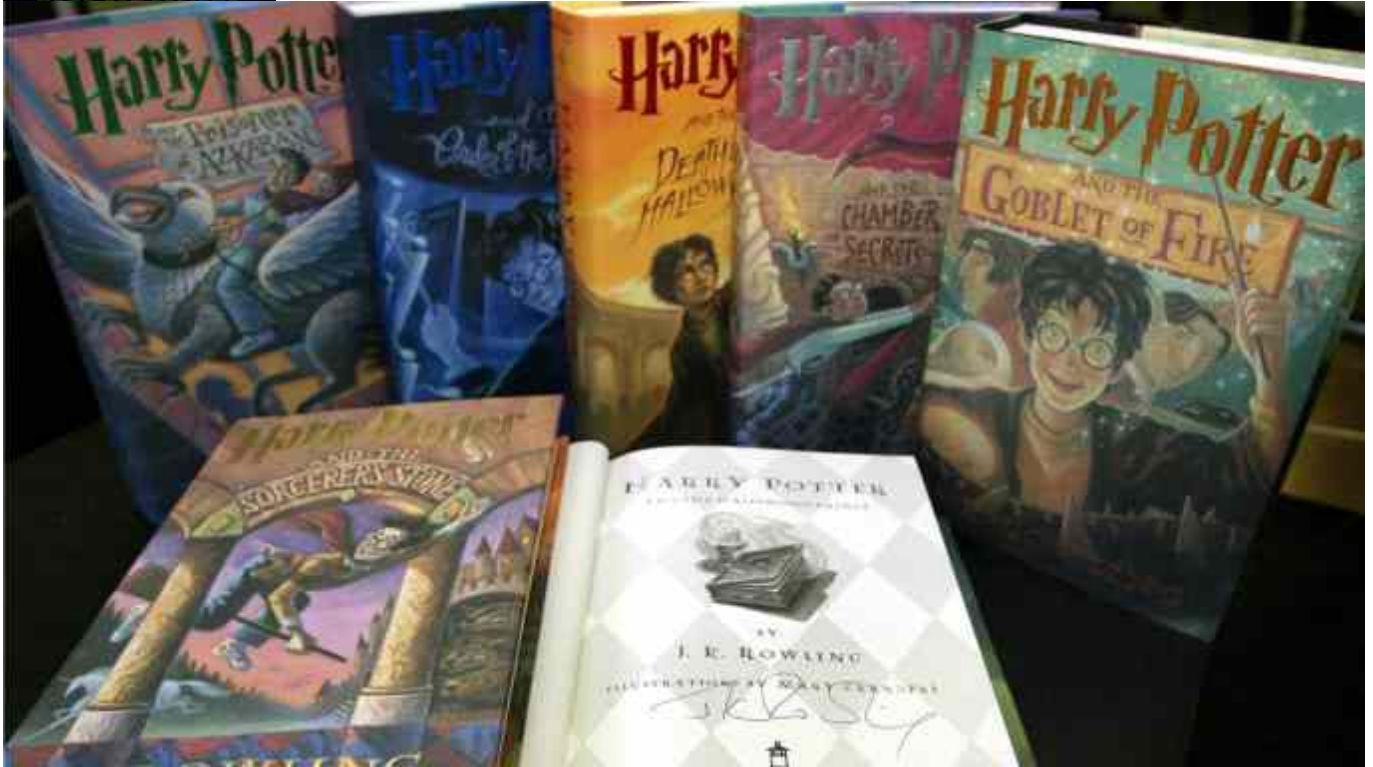

### ***The Chronicles of Narnia series***

A magical world filled with talking animals, mythical creatures, and epic battles between good and evil awaits readers in this classic series. As they follow the adventures of the Pevensie siblings in the land of Narnia, they'll witness their alliance with the noble lion, Aslan, and their fight against the forces of the White Witch and other villains. Along their journey, they learn valuable lessons about courage, faith, and redemption. Timeless in its appeal and rich with allegorical meaning, this series has captivated generations and remains a cornerstone of the fantasy genre.

### **Harry Potter Series (J.K. Rowling)**

*Books like Percy Jackson: 10 Books Similar to Percy Jackson - **Harry Potter Series***

Journeying through the hallowed halls of Hogwarts School of Witchcraft and Wizardry, readers are introduced to a world filled with magic, mystery, and the timeless battle between good and evil. Alongside the protagonist and his friends, they face the dark forces of Lord Voldemort, learning valuable lessons about love, friendship, and the importance of choices in shaping one's destiny. The series is celebrated for its rich world-building, complex characters, and intricate plot, capturing the imaginations of both young and adult readers, and leaving a lasting legacy in the world of literature and popular culture.

**The Hunger Games series (Suzanne Collins)**

### ***The Hunger Games series***

In a dystopian future where society is divided into districts, readers witness the journey of a strong-willed protagonist as she volunteers to take her sister's place in a brutal televised event known as The Hunger Games. What unfolds is a gripping tale of survival, rebellion, and societal injustice, where the stakes are life and death. Through the protagonist's eyes, the series explores themes of power, resistance, and the effects of violence, while also delving into the complexities of human nature and morality. The fast-paced plot, coupled with its thought-provoking commentary on society, makes this series a compelling read that resonates with readers long after the final page is turned.

Inkheart series (Cornelia Funke)

*Books like Percy Jackson: 10 Books Similar to Percy Jackson - **Inkheart series***

The line between fiction and reality blurs in this fantastical series, as characters from books are brought to life in the real world. A young girl and her father, who possesses the magical ability to bring book characters to life with his voice, find themselves navigating through the challenges and dangers that arise from this unique power. Richly imaginative, the world created by Cornelia Funke is filled with well-developed characters and an engaging plot that explores the power of storytelling and its impact on our lives. This makes the Inkheart series a must-read for fans of fantasy and adventure.

## The Grisha Trilogy (Leigh Bardugo)

### *The Grisha Trilogy*

A dark and immersive fantasy world comes to life in the Grisha Trilogy, where readers are introduced to a war-torn land filled with magic, mystery, and complex political intrigue. The story follows a young orphan girl who discovers she has a unique power that could be the key to saving her world from destruction. As she trains with the Grisha, a group of magical elite soldiers, she uncovers dark secrets and faces dangerous enemies who threaten to tear her world apart. With its richly developed characters, intricate plot, and immersive world-building, the Grisha Trilogy is a captivating read that will leave fans of the fantasy genre wanting more.

The Mortal Instruments series (Cassandra Clare)

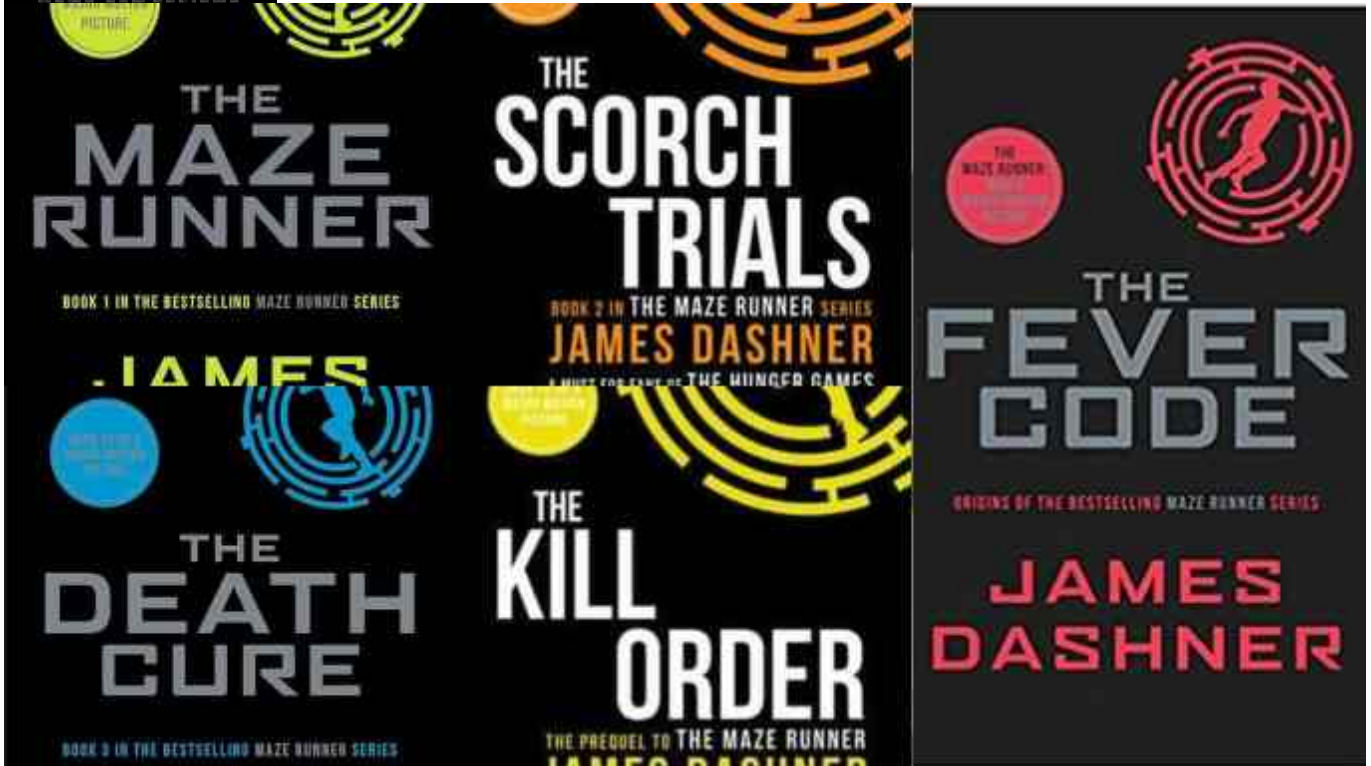

*Books like Percy Jackson: 10 Books Similar to Percy Jackson - **The Mortal Instruments series***

An ordinary teenager's life turns upside down when she discovers a hidden world filled with demons, angels, and supernatural beings in the Mortal Instruments series. Suddenly thrust into a world of Shadowhunters, warriors dedicated to ridding the earth of demons, the protagonist must come to terms with her new reality and her role in it. Navigating through a complex web of ancient grudges, familial secrets, and forbidden romance, the series is packed with action, fantasy, and drama. The immersive urban fantasy setting, combined with relatable characters and an intricate plot, makes this series a hit among fans of the genre.

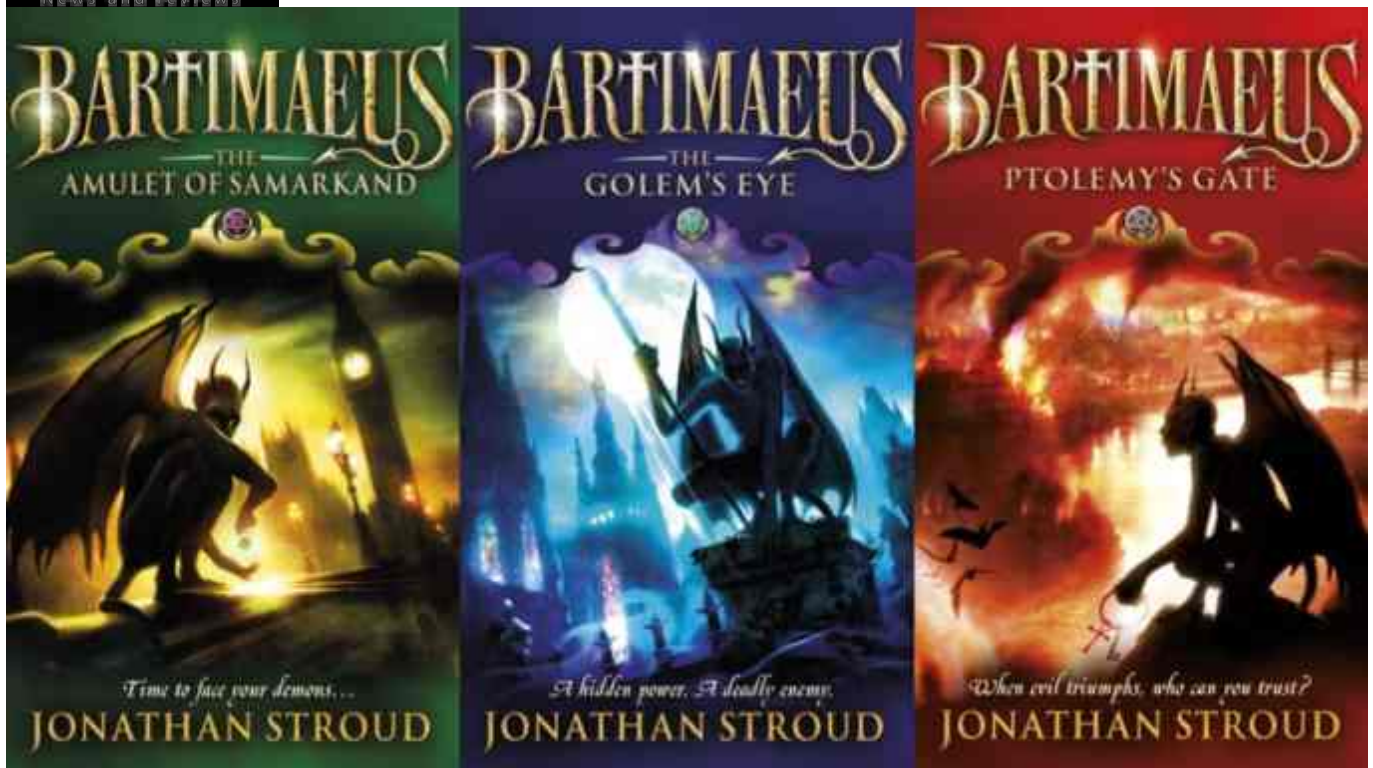

### The Maze Runner series (James Dashner)

### *The Maze Runner series*

Thrills and suspense await readers in this dystopian series, where a group of teenagers find themselves trapped in a mysterious and ever-changing maze with no memory of their past lives. As they band together to navigate through the dangerous labyrinth, uncovering clues and facing deadly creatures, they must also contend with the sinister organization that put them there in the first place. The relentless pace of the narrative, combined with the mystery and intrigue surrounding the maze, keeps readers on the edge of their seats, eagerly turning the pages to find out what happens next. With its unique premise and gripping storyline, the Maze Runner series is a standout in the crowded field of dystopian young adult fiction.

### The Bartimaeus Trilogy (Jonathan Stroud)

*Books like Percy Jackson: 10 Books Similar to Percy Jackson - **The Bartimaeus Trilogy***

In a magical London, a young and ambitious magician summons an ancient djinni, Bartimaeus, to aid him in his quest for power. Their complex relationship unfolds in a world where the pursuit of power is fraught with moral ambiguity and corruption, and where humans and magical beings are inextricably linked. The trilogy is celebrated for its witty writing, compelling characters, and complex storyline, with Bartimaeus's humorous commentary adding a unique flavor to the story. This series is an essential addition to the libraries of fantasy aficionados, providing an engaging and thought-provoking experience that will leave readers craving more.
