AMAZON

Genre: Futuristic Fiction

Synopsis: This novel takes readers on a unique time-travel journey starting in 2040 and gradually moving backwards to 2014. The story revolves around Leo Yang, his Japanese-French wife, and their two eldest children. As the narrative unfolds, it explores the complexities of their family saga, blending multiple cultural elements and historical contexts. This debut novel promises a family story like no other, exploring themes of identity, belonging, and change over time.

“The Goddess of Warsaw” by **Lisa Barr**

“The Goddess of Warsaw” by Lisa Barr

AMAZON

Genre: Thriller

Synopsis: Set against the backdrop of World War II and the glitz of Hollywood, this novel tells the story of Lena Browning, born Bina Blonski, whose past as a daring actress during the war intersects with her later fame in Hollywood. The narrative intertwines her struggles in the Warsaw Ghetto with her subsequent rise to stardom, shedding light on themes of survival, sacrifice, and the quest for justice. It’s a tale of glamour, heroism, and the personal costs of both.

“One Perfect Couple” by Ruth Ware

ChatGPT Recommended 5 Books For You to Read In May 2024 - ***“One Perfect Couple”*** by ***Ruth Ware***

AMAZON

Genre: Mystery/Thriller

Synopsis: In this high-tension thriller, five couples find themselves trapped on an island during the filming of a reality TV show, only to discover a killer is among them. The story draws parallels with Agatha Christie’s style, focusing on the unraveling of secrets and the increasing paranoia among the group. As they struggle to survive, the couples must confront their darkest fears and suspicions in a desperate bid for survival.

“Mind Games” by **Nora Roberts**

AMAZON

Genre: Suspense/Mystery

Synopsis: The story centers around Thea, a woman who inherits a powerful psychic ability that allows her to see into the minds and souls of others, a gift she shares with her grandmother. After a traumatic event in her childhood, Thea's life becomes intertwined with that of a murderer, whose mind she cannot escape. This suspenseful narrative explores the psychological and emotional challenges of her abilities as she navigates life, love, and the haunting connection to the criminal.

“You Like It Darker” by Stephen King

ChatGPT Recommended 5 Books For You to Read In May 2024 - “You Like It Darker” by Stephen King

AMAZON

Genre: Horror/Thriller

Synopsis: This collection of twelve short stories by Stephen King delves into the darker aspects of human nature and the supernatural. Known for his ability to weave terror with everyday scenarios, King’s stories in this book range from chilling to deeply unsettling, exploring themes of fear, redemption, and the unknown. Each story is crafted to keep readers on the edge of their seats, showcasing King’s signature blend of horror and suspense.
