

Chris Pratt Teases MCU Return and DCU Future: What Fans Can Expect | 1

In a recent interview with ComicBook.com, Chris Pratt, known for his role as Star-Lord/Peter Quill in Marvel's Guardians of the Galaxy, shared exciting possibility for fans of the superhero genre. Pratt confirmed that there is a "100% chance" of him reprising his role as Star-Lord in the Marvel Cinematic Universe (MCU) and hinted at a potential role in James Gunn's rebooted DC Universe (DCU).

With James Gunn, the writer-director of the Guardians of the Galaxy films, now deeply involved in projects at DC Studios, speculation has been rife about Pratt's possible venture into the DCU. Pratt, while promoting his upcoming film, *The Garfield Movie*, expressed openness to appearing in both superhero realms. He stated, "Well, it probably makes more sense for me to reprise the role of Star-Lord. But anything is on the table, especially with James now involved with DC. Perhaps there's a fitting opportunity there. Or maybe both. Why not both? Let's explore both avenues. I'd say it's a solid 100% chance for both."

Is Chris Pratt expected to secure a role in the DC Universe?

Recent hints from James Gunn suggest that some actors from the “Guardians of the Galaxy” franchise could be eyeing roles in the rebooted DC Universe. While no official casting decisions have been made, fans are buzzing with theories about potential transitions.

One popular theory revolves around Chris Pratt, who plays Star-Lord in the Marvel series, possibly taking on the role of Booster Gold in an upcoming Max series. In a 2023 Rolling Stone interview, Pratt expressed openness to the idea if Gunn believes he’s the right fit, stating, “If James believes I’m the right fit, then naturally, I’d have to contemplate it.”

Similarly, Pom Klementieff, known for her role as Mantis in “Guardians of the Galaxy,” has confirmed discussions with Gunn about potential roles in DC’s expanding franchise. While not revealing specifics, Klementieff hinted at a particular character she finds intriguing, stating, “There’s a particular character in mind, but I’m sworn to secrecy. I was acquainted with the character, and I found them incredibly intriguing.”
