In this article, we'll dive into the 5 Most Anticipated Amazon Prime Original Movies and TV Series in March 2024, providing a sneak peek into what makes each of them stand out.

Most Anticipated Amazon Prime Original Movies and TV Series in March 2024

1. Them Season 2 (Web Series)
2. Road House (Movie)
3. Invincible (Season 2, Part 2) (Web Series)
4. Ricky Stanicky (Movie)
5. FRIDA (Movie)

Them Season 2 (Web Series)

Them Season 2 (Web Series)

Set against the backdrop of 1991 Los Angeles, the second season of “Them” shifts its focus towards the intricate narrative of Detective Dawn Reeve, a trailblazing woman of color within her police unit. As she investigates a harrowing murder case with sinister implications for her own family, Dawn’s resilience and sharp instincts are rigorously tested.

This season diverges from its predecessor by exploring the insidious nature of racism not just externally but within the intimate confines of home, examining the profound effects of malevolent forces on family ties and personal safety. Originally slated for a 2023 premiere, the much-anticipated season faced delays, moving its debut to 2024.

Road House (Movie)

*Most Anticipated Amazon Prime Original Movies and TV Series in March 2024 - **Road House (Movie)***

The action-packed “Road House,” directed by Doug Liman and penned by Anthony Bagarozzi and Chuck Mondry, serves as a modern reinterpretation of the classic 1989 film bearing the same title. Starring an ensemble cast including Jake Gyllenhaal, Daniela Melchior, Conor McGregor, J.D. Pardo, Arturo Castro, and Billy Magnussen, the film promises a fresh take on the original narrative. The storyline follows a former UFC middleweight champion who finds himself tangled in unexpected mysteries while working at a roadhouse in the Florida Keys, offering a thrilling journey that delves into the unknown.

Invincible (Season 2, Part 2) (Web Series)

Invincible (Season 2, Part 2) (Web Series)

According to a recent report by ‘Collider’, fans of ‘Invincible’ can mark their calendars for March 14, as Prime Video is set to release the eagerly awaited second part of ‘Invincible Season 2’. Following the debut of the season’s first half in November 2023, which left audiences hanging with a suspenseful mid-season cliffhanger, the streaming platform is

gearing up to reengage viewers with the continuing adventures of its beloved characters. This upcoming release promises to pick up right where the story left off, plunging fans back into the action-packed and emotionally charged world of 'Invincible'.

Ricky Stanicky (Movie)

*Most Anticipated Amazon Prime Original Movies and TV Series in March 2024 - **Ricky Stanicky (Movie)***

In the upcoming American comedy film "Ricky Stanicky," directed by Peter Farrelly, a clever yet mischievous act by three childhood best friends leads to the creation of an imaginary figure named Ricky Stanicky, devised as a scapegoat for a prank gone awry. This inventive alibi, born out of their youthful antics, finds a permanent place in their lives as they continue to rely on the fictional Ricky to excuse their immature behavior two decades later.

The film boasts a star-studded cast including Zac Efron, John Cena, Jermaine Fowler,

Andrew Santino, Lex Scott Davis, and William H. Macy. Set for release in the United States, “Ricky Stanicky” will premiere on Prime Video, courtesy of Amazon MGM Studios, on March 7, 2024, promising a blend of humor and nostalgia as it explores the lasting consequences of a childhood jest.

FRIDA (Movie)

*Most Anticipated Amazon Prime Original Movies and TV Series in March 2024 - **FRIDA** (Movie)*

“FRIDA” is a compelling feature film that offers an unprecedented glimpse into the life and legacy of the iconic artist Frida Kahlo. Directed by Carla Gutiérrez in her feature debut, the film weaves Kahlo’s story through her own words, utilizing her illustrated diary, letters, essays, and interviews, all animated in a style that mirrors her vibrant artwork.

Spanning over 40 years and featuring previously inaccessible materials, the film showcases the enduring impact of Kahlo’s art across generations. Crafted by a predominantly female
