Deadpool 3

*Most Anticipated movies of July 2024 - **Deadpool 3***

“Deadpool 3” brings together the fan-favorite characters Deadpool, played by Ryan Reynolds, and Wolverine, portrayed by Hugh Jackman. This superhero film combines action, comedy, and the unique charm of its lead characters to create a highly anticipated entry in the Marvel universe.

Hitting theaters on July 26, “Deadpool 3” is expected to be a major box office draw, promising plenty of laughs and explosive action sequences.

Despicable Me 4

Despicable Me 4

The lovable Minions and their master, Gru, return in “Despicable Me 4.” This animated sequel continues the adventures of Gru, voiced by Steve Carell, as he juggles family life with his supervillain past. The film promises more hilarious antics, heartwarming moments, and a few new characters to keep the story fresh and engaging for all ages.

Scheduled for release on July 3, “Despicable Me 4” will undoubtedly be a summer hit, drawing families to theaters for a fun-filled cinematic experience.

Twisters

*Most Anticipated movies of July 2024 - **Twisters***

A sequel to the 1996 classic, “Twisters” follows scientists and storm chasers as they confront deadly tornadoes. Directed by Lee Isaac Chung and starring Daisy Edgar-Jones and Glen Powell, this action-adventure film leverages modern special effects to create an intense and visually stunning experience.

Releasing on July 19, “Twisters” is expected to be a thrilling ride for fans of disaster films and high-stakes drama.

Beverly Hills Cop: Axel F

Beverly Hills Cop: Axel F

Eddie Murphy returns as the iconic detective Axel Foley in this much-anticipated sequel. Directed by Mark Molloy, the film promises to deliver the classic blend of action and comedy that made the original a hit. Foley's latest adventure takes him back to Beverly Hills to solve another high-stakes case, filled with the witty banter and dynamic action sequences fans have come to love.

This revival also stars Joseph Gordon-Levitt and Kevin Bacon, adding fresh faces to the franchise. With its nostalgic appeal and updated storyline, "Beverly Hills Cop: Axel F" is set to captivate both new audiences and long-time fans when it releases on July 3 on Netflix.

Fly Me to the Moon

*Most Anticipated movies of July 2024 - **Fly Me to the Moon***

“Fly Me to the Moon” is an intriguing comedy film set during the NASA space race of the late 1960s. Directed by Greg Berlanti, the film stars Channing Tatum and Scarlett Johansson in leading roles. The plot revolves around Tatum’s character, a NASA official, and Johansson’s character, a marketing specialist hired to promote the moon landing program to the American public.

The film is set to be released on July 12, 2024, adding to the summer’s lineup of highly anticipated movies.

Skywalkers: A Love Story

Skywalkers: A Love Story

This documentary, directed by Jeff Zimbalist and Maria Bukhonina, chronicles the daring stunts and complex relationship of urban climbers Angela Nikolau and Ivan Beerkus. Filmed over seven years, it captures their adventures and personal dynamics as they climb the world's tallest skyscrapers.

Premiering on Netflix on July 19, "Skywalkers: A Love Story" offers an exhilarating and intimate look at the lives of two extraordinary individuals.

MaXXXine

*Most Anticipated movies of July 2024 - **MaXXXine***

“MaXXXine” is a highly anticipated horror film set to release in July 2024. Directed by Ti West, the film is the third installment in the “X” trilogy, following the events of “X” (2022) and “Pearl” (2022). This final chapter continues the story of Maxine Minx, portrayed by Mia Goth, as she navigates the treacherous and sinister world of 1980s Los Angeles in pursuit of fame and success.

Fans of the series can expect “MaXXXine” to continue the high standards set by its predecessors, with strong performances and a gripping storyline. The film’s unique blend of horror and character-driven drama ensures it will stand out in the crowded summer movie season. Prepare for a thrilling and chilling journey when “MaXXXine” hits theaters on July 5, 2024.

My Spy: The Eternal City

Most Anticipated movies of July 2024 - My Spy: The Eternal City

“My Spy: The Eternal City” is set to hit screens on July 18, 2024, and promises to be a delightful blend of action and comedy. Directed by Peter Segal, the sequel brings back Dave Bautista as JJ, a tough CIA operative, and Chloe Coleman as Sophie, his young and clever partner. This time, their mission takes them to the iconic and historical backdrop of Rome, adding a vibrant and cultural twist to their thrilling escapades.

In this installment, JJ and Sophie navigate the ancient streets of Rome, embarking on a high-stakes mission that tests their wits and strength. The film beautifully captures the essence of the Eternal City, using its landmarks to create visually appealing and action-packed sequences.
