

“Think Twice” is another thrilling installment in Harlan Coben’s renowned Myron Bolitar series. This suspenseful narrative delves deep into the complexities of presumed identities, deceit, and the undying echoes of past actions. Myron Bolitar, a sports agent, is confronted with a shocking revelation when federal agents inform him that his supposedly deceased client, Greg Downing, is not only alive but also a prime suspect in a double homicide.

The plot of “Think Twice” spirals through a series of gripping twists, each layer uncovering more about Myron’s intricate relationship with Greg, as well as with his associate, Win Lockwood. Coben masterfully keeps readers on the edge, intertwining suspense with the personal histories of the characters which enriches the narrative and adds a substantial depth to their motivations and actions.
