6. Revolution
7. Snowpiercer
8. See
9. Silo
10. The Last of Us

The Walking Dead

***Top 10 Post-Apocalyptic TV Shows of All Time - The Walking Dead***

'The Walking Dead' thrusts us into a world overrun by flesh-eating zombies, or "walkers." It follows Sheriff Rick Grimes and a group of survivors as they seek safety and form bonds in a world where the dead walk. 'The Walking Dead' is a cornerstone of post-apocalyptic television. It explores the fragility of human society and the bonds that form when survival is on the line. The show's enduring appeal lies in its relentless tension, moral dilemmas, and complex characters.

The 100

### ***The 100***

Set in a world recovering from nuclear devastation, 'The 100' follows a group of young adults sent to Earth to determine if it's habitable again. As they face hostile tribes, internal conflicts, and unforeseen challenges, the show delves into leadership, moral dilemmas, and the complexities of rebuilding society. 'The 100' is a gripping exploration of how humanity's darker instincts and nobler qualities collide in the face of survival. It confronts moral ambiguity and the consequences of choices made in dire circumstances.

### **Falling Skies**

### ***Top 10 Post-Apocalyptic TV Shows of All Time - Falling Skies***

After an alien invasion decimates Earth's population, Tom Mason, a former history professor, becomes an unlikely leader in the fight against the extraterrestrial invaders known as the Espheni. The series explores themes of resistance, family, and the resilience of ordinary people. 'Falling Skies' combines science fiction with human drama, depicting the struggle of ordinary individuals who are thrust into extraordinary circumstances. It's a testament to the strength of the human spirit.

Jericho

### ***Jericho***

'Jericho' unfolds in the small town of Jericho, Kansas, in the aftermath of nuclear attacks on major U.S. cities. The residents must adapt to the loss of communication, scarcity of resources, and the looming threat of outside forces. The show examines the challenges of rebuilding society while preserving a sense of community. 'Jericho' is a poignant portrayal of a community's resilience and resourcefulness in the face of adversity. It explores the dynamics of survival and the importance of cooperation.

### The Last Man on Earth

### ***Top 10 Post-Apocalyptic TV Shows of All Time - The Last Man on Earth***

A comedic take on post-apocalyptic life, this show follows Phil Miller, who believes he's the last human on Earth until he meets other survivors. Together, they navigate the absurdities and challenges of a world where civilization has collapsed. 'The Last Man on Earth' combines humor with moments of genuine emotion. It explores the loneliness and absurdity of a world where societal norms no longer apply.

Revolution

### ***Revolution***

In a world where all forms of electricity mysteriously cease to exist, 'Revolution' follows survivors navigating a world without modern technology. The show delves into the struggle for power, the quest for answers, and the enduring spirit of humanity. 'Revolution' poses intriguing questions about the role of technology in our lives and what happens when it's suddenly taken away. It's a thrilling journey through a world transformed.

### **Snowpiercer**

***Top 10 Post-Apocalyptic TV Shows of All Time - Snowpiercer***

Set aboard a massive, perpetually moving train in a frozen world, 'Snowpiercer' depicts a class-divided society hurtling through a post-apocalyptic landscape. The show explores themes of inequality, rebellion, and the consequences of unchecked power. 'Snowpiercer' offers a unique spin on the post-apocalyptic genre, exploring the dynamics of a microcosmic society hurtling toward an uncertain future. It's a thought-provoking examination of class struggle and social order.

See

### *See*

'See' envisions a world where a virus has decimated the population, leaving survivors blind. In this sightless society, power dynamics shift, and the emergence of sighted individuals introduces a new layer of complexity. The show delves into themes of leadership, perception, and survival. 'See' challenges viewers to imagine a world without sight and the unique challenges it presents. It's a visually stunning series that explores the power of other senses.

### Silo

### ***Top 10 Post-Apocalyptic TV Shows of All Time - Silo***

Based on the Wool series by Hugh Howey, this series explores the lives of people living in a massive underground silo after the surface world becomes uninhabitable. It delves into the mysteries of their existence and the secrets of the silo. 'Silo' promises to bring the captivating world of Hugh Howey's novels to life, offering a glimpse into the intricacies of underground survival and the mysteries surrounding the silo.

The Last of Us

### ***The Last of Us***

Inspired by the critically acclaimed video game, 'The Last of Us' series promises to deliver a powerful and emotionally charged post-apocalyptic narrative. It follows the journey of Ellie and Joel in a world ravaged by infection, exploring themes of loss, survival, and the enduring human connection. 'The Last of Us' is hailed for its compelling storytelling and complex characters. The series adaptation holds immense promise in bringing this gripping narrative to a broader audience.
